

BDC MUN

REMASTERED

2ND , 3RD , 4TH OCTOBER

INTRODUCTION

Beaconhouse Defense Campus has a historically influential reputation within the debates circuit of Pakistan and has produced skillful orators, critical thinkers and most importantly, geopolitically and socially aware individuals for many years.

Our extensive legacy of shaping the leaders of tomorrow, is embraced by BDCMUN as it aims to reshape the future by expanding the format of public speaking to diplomacy.

BDC has hosted multiple large-scale debating events. Not only have we held Beaconhouse Defence Debating Championship its flagship parliamentary event for many years and the BDCMUN Legacy Edition in 2023, but have also held many prestigious national and regional competitions in successful collaboration with the Debating Society of Pakistan. Such as the DSP Regionals (Central) 2024 parliamentary tournament.

BDCMUN Remastered Edition aims to bring the same level of success and debate once again in this year, on a greater grandeur and scale for dissent to be celebrated.

Our focus on minority issues this year aims to foster greater empathy and awareness for marginalized communities across the globe. So that delegates can acknowledge their own privilege and responsibility for standing up for others, ensuring that they will contribute to upholding the moral fabric of equality in society.

We look forward to your participation in the fruitful discourse to come, and are excited to open our doors for you to contribute in reshaping the future.

Regards,
The BDCMUN Host team.

PRESIDENT's NOTE

Esteemed Faculty, Coaches, and Ambassadors,

It is with great honour that I invite you to BDCMUN Remastered Edition, held from 2nd to 4th October, 2026.

BDCMUN is committed to providing a platform for youthful minds to tackle issues of global significance, fostering a diplomatic attitude amongst delegates in the process and offering a chance to explore the multi-dimensional avenues of public speaking. This includes everything from informal debate in Unmoderated Caucuses to the formal debate in the General Speakers List. We aim to promote discourse in all its forms.

Our well-equipped, competent host team is ensuring an engaging and exciting experience for all of you, while creating a friendly environment that cultivates a deeper understanding of the United Nations proceedings and peacekeeping mechanisms. We are confident in the ability of Lahore's MUN circuit and our host team that this conference will be one where the principles of diplomacy, as manifested by high schoolers, live on in every setting.

Regards,
Mehar Ali Cheema

COACH'S NOTE

Welcome everyone!

It is my honour to invite you to the second edition of the BDC MUN conference. I've been coaching BDC for the past three years and have developed a great love and deep passion for the society. We have a very principled society with dynamic sessions, structured debates, and a strong emphasis on the art of debates, public speaking, and diplomacy.

We value the art of argumentation and oratory, and I'm excited to extend this opportunity to everyone through this conference. I'm passionate about creating an environment where delegates can learn, grow, and showcase their skills.

Hoping to see excellence in speaking, competitiveness, and diplomacy at this year's conference. Let's make this a respectful conference where delegates respect each other's boundaries and maintain decorum. My utmost priority is to ensure we have the best chairs and well-thought-of topics.

One thing before I go: screaming gets you no where in committee sessions. Let's focus on respectful dialogue and constructive debate.

Welcome, and let's make this conference unforgettable!

Regards

Shahmeer Ali Bukhari
